

Geography - The Intent, implementation and Impact of our Curriculum.

Here at Saint Nathaniel's Academy we have designed our geography curriculum to ensure it is fully inclusive to every child. Our aims are to fulfil the requirements of the National Curriculum for Geography; providing a broad, balanced and differentiated curriculum; ensuring the progressive development of geographical concepts, knowledge and skills; and for the children to develop a love for geography.

Intent

At Saint Nathaniel's, we aim for a high quality geography curriculum which should inspire in pupils a curiosity and fascination about the world and its people. Our teaching equips pupils with knowledge about places and people; resources in the environment; physical and human processes; formation and use of landscapes. We also want children to develop geographical skills: collecting and analysing data; using maps, globes, aerial photographs and digital mapping to name and identify countries, continents and oceans; and communicating information in a variety of ways. We want children to enjoy and love learning about geography by gaining this knowledge and skills, not just through experiences in the classroom, but also with the use of fieldwork and educational visits.

Implementation

In ensuring high standards of teaching and learning in geography, we implement a curriculum that is progressive throughout the whole school. Geography is taught as part of a half-termly topic, focusing on knowledge and skills stated in the National Curriculum. At Saint Nathaniel's, we ensure that geography has the same importance given to it as the core subjects, as we feel this is important in enabling all children to gain 'real-life' experiences. For example, using the local area to follow maps in Key Stage 1, to comparing the similarities and differences in environments and communities in Lower Key Stage 2, through to debating world issues in Upper Key Stage 2.

Impact

The impact and measure of this is to ensure that children at Saint Nathaniel's are equipped with geographical skills and knowledge that will enable them to be ready for the curriculum at Key Stage 3 and for life as an adult in the wider world.

We want the children to have thoroughly enjoyed learning about geography, therefore encouraging them to undertake new life experiences now and in the future

History - The Intent, implementation and Impact of our Curriculum.

At Saint Nathaniel's we shape our history curriculum to ensure it is fully inclusive to every child. Our aims are to fulfil the requirements of the National Curriculum for History; providing a broad, balanced and differentiated curriculum that encompasses the British Values throughout; ensuring the progressive development of historical concepts, knowledge and skills; and for the children to study life in the past.

Intent

At Saint Nathaniel's, we aim for a high quality history curriculum which should inspire in pupils a curiosity and fascination about the Britain's past and that of the wider world. Our teaching equips pupils with knowledge about the history of Britain and how it has influenced and been influenced by the wider world; know and understand about significant aspects of the history of the wider world like ancient civilisations and empires; changes in living memory and beyond living memory; learn about the lives of significant people of the past; understand the methods of historical enquiry and be able to ask and answer questions. We want children to enjoy and love learning about history by gaining this knowledge and skills, not just through experiences in the classroom, but also with the use of fieldwork and educational visits.

Implementation

In ensuring high standards of teaching and learning in history, we implement a curriculum that is progressive throughout the whole school. History is taught as part of a half-termly topic, focusing on knowledge and skills stated in the National Curriculum. At Saint Nathaniel's, we ensure that history has the same importance given to it as the core subjects, as we feel this is important in enabling all children to gain 'real-life' experiences. For example, using the local area to look at how buildings have changed in Key Stage 1, to comparing the similarities and differences in ancient civilizations in Key Stage 2,

Impact

The impact and measure of this is to ensure that children at Saint Nathaniel's are equipped with historical skills and knowledge that will enable them to be ready for the curriculum at Key Stage 3 and for life as an adult in the wider world.

We want the children to have thoroughly enjoyed learning about history, therefore encouraging them to undertake new life experiences now and in the future.
